Ex-Con management wants to thank everyone who participated and assisted with Ex-Con 2011! We sincerely hope that everyone had a great and safe time in Las Vegas, and hope to see everyone again for Ex-Con 2012.

A lot more changes are coming for the next event, so please visit our website at www.exconlv.org for updates. You can also see the video and stills from Ex-Con 2011 on our You Tube channel @ www.youtube.com/exconlv or by accessing it through the "Links" page on our website.

Credit card payments will be available for Ex-Con 2012 and by the second week of January 2012, the event WILL open for registration. ALL posts/programs that participated in Ex-Con 2011 will be emailed approximately 14 days before registration opens since it will be available much earlier than before. Only 42 teams will be allowed to participate in Ex-Con 2012, so please monitor our site regularly, as we have been continuing to improve and many changes are still on the way.

Again, thanks to everyone who participated, to our vendors and to our volunteer advisors and Explorers from the Las Vegas Valley!

Sincerely,

Ex-Con Inc.
